**Watertown Superintendent of Schools Search - 2012**

The Watertown School Committee, in cooperation with the Committee's Search Consultant, Glenn Koocher, the Executive Director of the Massachusetts Association of School Committees (MASC), has developed an electronic, online feedback survey that will be available to all staff, parents and interested citizens. The selection criteria and feedback on priorities from this online survey will be shared with members of the Screening Committee and the School Committee prior to the beginning of the screening/selection process.

Individuals can access this online survey at:
